Village Board Acts To Provide Land for New Industry Here

In a special meeting last Thursday evening at the Ruralite which followed a dinner given by the Chamber of Commerce, the village board voted a resolution giving an industry six acres of village owned property as a factory site under certain stipulations.

The industry must build within a year and be in operation in 18 months, and must have a payroll of not less than \$500,000 yearly.

In order to unite the six lots, it will be necessary to vacate a street and relocate it on the north edge of the site.

Because the deed has not been delivered and the transaction completed, the recipient was not announced.

Although Trustee Edmond Vos is vacationing in Florida and Trustee E. H. Glenn is vacationing in Arizona, a quorum was present for the transaction.

2,000 Saw Exhibit Of Lakeside Council Girl Scouts Saturday

An estimated record crowd of more than 2000 persons visited the seventh annual Lakeside Council Exhibit last Saturday at the Antioch High school.

Exhibits and programs planned by the 1,112 Girl Scouts representing 54 troops in 7 western Lake county communities were presented during the afternoon and evening by Brownie and Intermediate troops.

Everyone is urged to tune their radio to Station WKRS Friday, Mar. 22, at 3:15 p. m. to hear one of the skits presented at the exhibit at this time. The skit is entitled "Boy Meets Girl" and will be performed by Scouts Jane Wolff, Mary K. Jarvis, Lynette Reid, JoAnne Scharrer, Cheryl Reid, Violet Schneider, and Diane Siedschlag, all members of Intermediate Troop 39 of Lake Villa.

Girl and adult members of the Lakeside Council are now looking forward to a successful camping season. Official dates for Intermediate camp are June 23 to 29 at YMCA Camp Hastings, Lake Villa. There will also be two Brownie Day Camp sessions at Camp Hastings, June 10 to 12, and June 13 to 15. All interested Scouts are urged to give their applications to their troop leaders as soon as possible, and adults interested in counselor work may call Mrs. K. Halvorsen at Antioch 237-M-1 for Intermediate camp, and Mrs. C. Sargol at Eliot 6-7357 for Brownie Camp.

This beautiful camp has special facilities for campcraft, extra water-front activities, horseback riding, archery, outdoor camping, and can also provide for more girls than have attended in the past.

Persons with a knowledge of handicraft, music, games, dancing, camping, nature, or other outdoor activities will find this both an interesting and rewarding diversion.

Evanston and Elgin In State B.B. Meet; Sat. Games on TV

Antioch High lost to Barrington in the sectional and Barrington, the sectional winner lost to Evanston.

Evanston as a state contender came from behind in defeating Crane Tech of Chicago 67-60 and will battle it out in the quarter finals with Notre Dame High school. Elgin, winner over Bloom by one point 53-52, will play Herrin. Other pairings are Champaign against Ottawa, and Galesburg vs. Collinsville.

The quarter finals will open at Champaign Friday night and continue until the winner is declared Saturday night.

A 10-station TV network believed to be the largest ever to cover a high school athletic contest—will carry the Saturday games.

Antioch will get best TV results over Station WBKB, Channel 7, Chicago.

Illinois Bell Telephone Co., sponsor of the program, expects that the telecast will be shown to an estimated 2,500,000 viewers.

Jack Drees, Chicago sportscaster and Chick Hearn former Peoria announcer will handle the TV play by play.

Hearn who with Drees has covered every telecast tournament will return to "home pastures" from Los Angeles where he is building up a reputation as a sportscaster. Alex Saudargas coach of the champion West Rockford team for the past two years and no win private business will analyze the plays and handle color.

Must Display House Number for Home Mail Delivery Service

Postmaster Roy Kufalk announced today that after April 1st, when home mail delivery service starts, no deliveries will be made to homes that do not display house number and have an acceptable mail receptacle conveniently located near the sidewalk or drive.

To save confusion and delay Kufalk urges all home owners to install house numbers and receptacles as soon as possible.

All home deliveries will be made by house number and street only.

Gerald Eckles Charged With Shooting Smith, Returned to Co. Jail

Gerald B. Eckles, 19, who has been out on bond of \$7,500 after being charged with the shooting of his wife's parents, Mr. and Mrs. Burnett Smith of Country Club rd. south of Rte. 173, Channel Lake, is back in jail again.

He is accused of having stolen an automobile after leaving a Sesser, Ill., hospital where he was placed by his father for treatment.

Eckles was apprehended Monday by Deputy Sheriff Hugh Kennedy on Rte. 83 south of Ivanhoe and taken to jail without difficulty. Kennedy recalled Eckles' frequent mentioning of Rte. 83 in his talk and decided to patrol that road. He got results, catching Eckles with a car he stole at Sesser.

Whether Eckles was making his way back to Channel Lake is not known, but fear was expressed that he might harm his wife.

At the request of Atty. Frank M. (Pat) Daly, who is serving as public defender in Eckles' case, the trial of the young man was moved from the April to the May term of court. Daly said he has another trial in April.

The Smiths both are carrying bullets in their bodies as the result of Eckles' attempt to kill them.

Antioch Students Tour Abbott Laboratories

Thirty-six Antioch—Township High School chemistry students were among the 700 students from nine high schools who toured Abbott Laboratories Wednesday and were guests of the pharmaceutical company at luncheon. They and their teacher, Elroy Robinson report an excellent time.

Those making the trip were: Ronald Abendroth, Barbara Alshouse, James Berke, Joel Armstrong, Cathy Arndt, Joan Burton, Peggy Cardiff, Larry Dewar, Jerry Dittmer, Francis Dorner, Fred Faust, Frank Ferdon, Betsy Frazier, Bill Hart, Barbara Heiligenthal, John Homan, Dorothy Jach, Robert James, Pat Jesse, Richard Jonas, Richard Kapell, Caron Marotta, David Mitchell.

Elvin Meyer, Sally Nebel, George Nowicki, Roger Plechaty, Agnes Pleviak, Robert Poulson, Karen Rentner, Gwenn Royer, Maureen Smith, Nancy Wetterberg, Lois Wohlfeil and Judy Zellbor.

Einar J. Nilson, Indian Pt., Found Dead Thurs.

Einar J. Nilson, 73, of Indian Point, Antioch, was found dead by hanging at his home at 7:30 this morning. Inability to work was thought to have contributed to the suicide.

Mr. Nilson was born in August, 1883, in Bergen, Norway. He came to America 55 years ago and settled in Chicago where he worked as a stone mason.

The Nilsens have owned a summer home at Indian Point for 35 years and 10 years ago they moved there from Chicago.

Mr. Nilson was a member of Honor Lodge No. 1010 A. F. & A. M. and Local No. 20 Brick and Stone Masons Union, Waukegan. He had been a union member for 50 years.

He is survived by his wife, Dora, a daughter, Mrs. Blanche Anthony of Deerfield, a brother Fred of Cicero, one brother and one sister in Norway, and three grandchildren.

Funeral services will be held at 2 o'clock Saturday at the Strang Funeral home. Friends may call after 2 o'clock Friday. Interment will be at Ridgewood cemetery, Des Plaines, Ill.

An estimated 90,000 tons of bituminous coal will be needed annually by the new titanium sponge plant of National Distillers Products Corp., at Ashtabula, O., according to Keystone Coal Buyers Manual.

Wilmot Mother and Infant Daughter Die In Car Crash Sunday

Mrs. James Robinson, 20, of rural Wilmot, Wis., and her daughter, Jeanine, two months, were among five persons killed at 3:30 p. m. Sunday in a two car collision just south of the Kenosha-Racine, Wisconsin, County line on Trunk H, extension of Rte. 192.

James Robinson, husband of the dead woman, was badly hurt, but will recover according to word at St. Mary's hospital, Racine.

The three others fatally injured were William C. Ford, 21, West Allis; his fiancée, Miss Ciesky, 21, Milwaukee; and Barbara Steffen, Milwaukee, Wis.

Richard Peaslee, 21, Milwaukee, is in a critical condition at St. Luke's hospital, Racine.

In satisfactory condition besides Robinson are Beth Wilson, 18, Rte. 3, Burlington, Wis., a sister of Mrs. Robinson, and Brian Beth, 10, Rte. 2, Kenosha.

Robinson suffered back injuries and lacerations on the neck and face; Miss Wilson sustained leg and head injuries, a broken left leg, skull injuries, and multiple cuts; and Beth received head, internal, face cuts, and wrist injuries.

The Robinson car was going south on Trunk H, and Ford, driver of the other car was going east on County Line rd. Sheriff James Marshall said that neither driver apparently saw the other, although they had a clear view of each other for a half mile and it was "broad daylight."

Marshall said that apparently neither driver touched a brake, the Robinson car hitting the side of Ford's car carrying the Milwaukee people, knocking it against a telephone pole.

Mrs. Robinson and her daughter, Ford and Miss Ciesky all were dead when authorities arrived and Miss Steffen died in St. Catherine's hospital 20 minutes after the accident.

Robinson told Deputy Harry Mason: "I was going south on H. I was coming to a crossroad about 50 miles an hour. One of the kids in the back seat said 'Look out,' and that's all I remember."

Kairlys Want Land On Rte. 21 Rezoned For Light Industry

Among the 10 applications for rezoning to be heard by the Lake County Zoning Board of Appeals next month are those of Anton Kairlys Subdivision on Rte. 21 north of Antioch and the Wilmette Girl Scout Council for a camp in Newport township.

Atty. Clinton O. Thompson, Antioch, will represent the Kairlys at the hearing before the Board on April 17 in the Antioch Village hall. His clients are asking rezoning of three residential lots of 20,000 square feet from Residential 3 classification to Industrial 1 (light industry).

The lots abut the Soo Line and would be conveniently located for some industry. They are on the west side of Rte. 21 north of the Jefferson Ice company depot.

Atty. Thompson said that nearby properties are of an industrial nature and that the land is more usable for industry than it is for residence.

The hearing on the application of the Wilmette Girl Scout Council for a special permit affecting zoning of two quarter-sections of Newport Township farmland north of Rte. 173 and east of Rte. 41 will be held in the fire station at Wadsworth April 12.

Mr. and Mrs. Leo Barnstable will take their petition before the Board at the Lake Villa Village hall on April 10, seeking reclassification from farm to Residential 3 some land south of Grand Ave. and east of Grub Hill rd. so they can establish lots of 20,000 square feet.

Boys into Mischief
Mrs. Frank Runyard of Channel lake saw three boys break into her barn last Sunday. When questioned the boys, of grammar school age, said, "We just wanted to do something."

Mrs. Runyard threatened to call the police and the boys left. Two hours later they were seen next door beating a small dog that was chained up. They were not local boys, Mrs. Runyard said.

Child Hurt In Car Crash
The Antioch Rescue squad gave first aid to Theodore Williams, Jr., 11, who was cut about the face when the car of his father, Theodore Williams of Waukegan was struck a glancing blow by an oncoming car near the Hunter garage on Rte. 173. The accident occurred in a blinding snow storm Monday night. The driver of the other car was unhurt, as was the elder Williams.

Antioch Baseball Players of 1915

Nine men were all that was needed for this Antioch baseball team to win games back in 1915. Left you fail to recognize them, they are, left to right, standing—Harold Hughes, Bob Wilton, John Horan, Bernie Fields, Lester Osmond, and seated—John Morley, John Lasco, Don Smart and Russell Hardin. Most of them are now engaged in business in Antioch. They were a championship team.

A White Spring Greets Antioch

It was a white spring that arrived yesterday in Antioch.

A calendar change from winter to spring Tuesday came at the end of a downward slide in temperature which culminated in a snow.

The snow melted as it fell Monday but by Tuesday there was an inch on the ground most of which melted by Wednesday.

Precipitation on Monday was .2 inch and on Tuesday .23 inch, making a total of .43 for the two days or 1.26 for March to date. There was .2 inch of rain on March 14. The temperatures of the past week were:

Date	High	Low
March 14	66	40
March 15	49	26
March 16	45	20
March 17	47	24
March 18	38	28
March 19	33	28
March 20	37	22

Pair Admit Theft Of Hubs

Kenosha — The sheriff's office looked like an auto parts store Wednesday, with two dozen hubs stacked in a corner.

Two 16-year-old Pleasant Prairie youths turned them in late Tuesday. The pair confessed to removing them from autos in Kenosha recently.

Now, authorities have to figure out who the owners are. They planned to review the thefts with the youths later today to determine where and when the hubs were stolen.

Investigator Floyd Hughes, who questioned the two, said they eventually be turned over to the juvenile probation office. He said they also have admitted two rural school break-ins last fall. At the Star school they reportedly obtained a small amount of money, but got nothing at the Lincoln grade school.

Investigation of a gasoline and battery theft at the Weir farm on the McKeon rd. in Pleasant Prairie led to the paid of hubcap thieves. Investigator Art Blake learned on a tip that the stolen battery was in one of the youth's cars.

Picked up, this youth admitted that he had stolen the battery and gasoline. Hughes asked him about the hubs on his car, and he admitted that they also were stolen. He mentioned an accomplice, the other 16-year-old, whom he called the "hubcap king." Both youths, who are students at Salem Central high, brought in their collection of stolen hubs late Tuesday.

Some of the hubs had been sold to private parties in the Burlington area. Hughes said the hubs—most of them worth \$10 or \$15—were sold for "whatever they could get," usually \$1 or \$2.

Parents of Mrs. Freund Observe 50th Anniversary

Mr. and Mrs. John Clark, Waukegan, parents of Mrs. Peter Freund of Antioch, celebrated their fiftieth wedding anniversary last Saturday. Mass was celebrated at 8 a. m. at the Immaculate Conception church in Waukegan and a reception was held at 6 p. m. at the Johns-Manville Club. Approximately 250 relatives and friends attended. The Clarks were married 50 years ago on St. Patrick's Day at St. Peter's church in Spring Grove. They have 11 children, 29 grandchildren and three great grandchildren.

The Lions Club of Antioch will give its annual banquet honoring Antioch Township High School athletes and cheerleaders at 7 p. m. Monday in the school.

Stuart Holcomb, athletic director of Northwestern University, will be the main speaker.

Holcomb is famous for his work as head football coach at Purdue University where he directed his team to a Big Ten Championship in 1952, and was runnerup in 1951. He served as head coach of the North team for the annual North-South Shrine game and was co-coach of the East team in the 1955 East-West Shrine game.

Proclaimed one of the most progressive coaches in the collegiate game his teams were famed for producing stunning upsets, notably a 28-14 victory over Notre Dame in 1950 that ended a 39-game winning streak for the Irish.

Principal Albert Dittman will also speak and introduce members of the coaching staff. They are Warren Polley, Paul Kessenich, Lawrence Leon, William Baird, William Seemann, Donald Chiappetta, Stuart Good, and Nary Donovan.

James Koprive, president of the Lions Club, will present the trophy to the outstanding athlete who will be named that evening.

Special guests will be presidents of the Lake Villa and Antioch vil-

Grassroots Opinion

YORKTOWN, TEXAS, VIEW: "One of the most important bills to come before the new Congress will be that to abolish the federal control of the price of natural gas. This control never was fixed by law but was imposed by a decision of the Supreme Court."

AMBRIDGE, PA., DAILY CITIZEN: "The recent death of Sevellon Brown, one of the nation's most distinguished newspapermen, recalls to mind his elevated view of the press as the great informer of public opinion. He said: 'We must have better, and yet better, newspapers if the force of public opinion the greatest force in the civilized world today—is to be enlightened and given the vision to find the solution of problems that must be solved if civilization is to survive.' These words are a continuing challenge to newspapermen, and a measure of how highly this thoughtful man regarded the right of the people to know and to speak."

MANASQUAN, N. J., COAST STAR: "Socialism is supposed to distribute the wealth. What it actually does—as in Russia—is to enforce poverty on the many, while the few at the top enjoy almost unlimited luxury."

PLATTSBURGH, NEBR., JOURNAL: "The report of the Senate Investigations subcommittee made it obvious that too many Americans 'collaborated' with the enemy in Korea and China . . . The solution of this problem seems to be in teaching and training Americans to understand and appreciate their country to a greater degree. This could be done in the schools, in the churches and in homes."

GREENFIELD, IND., DAILY REPORTER: "In a recent message to Congress . . . the President spoke of the Russians as despots, liars, cheats, and imperialists. We're glad there will be no further confusion on that point. The very saying of the words, from such a source, will have a profound effect upon world opinion, just as 'good old Joe' and the attributing of peaceful intent had a tendency to lull and confuse the world in the past."

Grassroots Opinion

BAY CITY, MICH., VALLEY FARMER: ". . . 'Big Business' is not the predatory monster that the 'Hate-Big-Business' zealots would have us believe. As a matter of fact, the weight of evidence tends to prove that 'Small Business' is really helped by its big brother—that both are essential cogs in our American production machinery."

BEAVER FALLS, PA., NEWS-TRIBUNE: "With literary standards what they are in some circles today it's difficult to know whether to wash Johnny's mouth out with soap when he picks up bad words, or to buy him a typewriter."

MONTICELLO, IND., TIMES: "In his state of the Union message to Congress President Eisenhower devoted considerable space to the subject of inflation. . . . The chief executive noted that the nation stands on a peak of prosperity. He then went on to say: 'But in any realistic appraisal, even the optimistic analyst will realize that in a prosperous period the principal threat to efficient functioning of a free enterprise system is inflation.' This was a clear warning, supported by further remarks about the responsibility of government, business, labor and indi-

vidual citizens to guard against any further undermining of the dollar."

KNOXVILLE, IOWA, EXPRESS: "The big question today is not whether a lot of men try to beat the government. It is whether the government can beat you with vicious taxation, inflation, etc."

STURGEON BAY, WIS., ADVOCATE: "The future of polio is certain. Its past will be with us for some time. We must not forget those for whom the vaccine came too late. The National Foundation for Infantile Paralysis will not forget them. We must not forget the Foundation. Give as generously as you always have to the March of Dimes. Help clean the slate of polio."

Economic Highlights

"A 'week' of more than ordinary importance will be celebrated during the April 21-27 period. It is Medical Education Week, and the sponsorship includes the American Medical Association, the Association of American Medical Colleges, the National Fund for Medical Education, and other such organizations. The 'week's' general purpose is to develop public understanding of the aims, problems and progress of medical education."

In this connection, a booklet published by the AMA, entitled "What's Up With Our Medical Schools?" provides a mine of information—and also clears up some more or less common misconceptions. The booklet takes seven myths which have to do with the state of medical education, then counters them with the actual facts.

Myth 1: Medical school graduates are not keeping pace with the population growth. **Fact:** While our general population increased 80 per cent during the 1910-1955 era, the supply of doctors increased 120 per cent. The number of doctors in this country is at a record ratio of one to every 730 persons, a proportion exceeded only by Israel, which has an abnormal number of refugee physicians.

Myth 2: Medical schools try to keep their enrollments as low as possible. **Fact:** In less than 50 years medical school enrollments rose more than 128 per cent. New records in the size of enrollments and graduating classes are constantly being made.

Myth 3: Medical schools refuse admission to a vast number of applicants. **Fact:** In a recent year more than half of all applicants were accepted. More and more, medical schools are competing with each other for the better-qualified applicants.

Myth 4: Only "A" students are admitted to medical schools. **Fact:** In a recent year, only 17 per cent of the students had "A" averages in their premedical work, as against 69 per cent with "B" averages and 14 per cent with "C." Most medical schools give important consideration to character, personality, leadership, and other non-scholastic factors when selecting applicants.

Myth 5: Medical schools fail to grow with the times. **Fact:** The number of approved schools in this country increased from 66 in 1910 to 81 in 1955, and a number of new schools are now being developed. At the same time, large numbers of sub-standard schools and "diploma mills" have been closed. Such schools were a scandal years ago.

Myth 6: The AMA attempts to restrict the number of physicians. **Fact:** The AMA has neither the authority or desire to control the size of the enrollment or the number of graduates. It may recommend a ceiling on enrollment only when it appears overcrowding of facilities may endanger the quality of instruction.

Myth 7: Medical schools are hard pressed for operating funds and only the federal government can meet their needs. **Fact:** Medical schools do need more income. The profession welcomes one-time federal grants to the schools for worthy purposes. But it opposes continuing federal aid lest the government seek to control that which it finances. Medical educators are confident that increased private funds will be made available to schools once their needs become more widely known.

Look who upset the
"Low-price" Applecart!

This one's had them rubbing their eyes ever since it landed smack in the middle of the "low-price" field! The handsome rebel you see right here is upsetting tradition right and left on what a modest budget should buy. It's pricing a big 122-inch wheelbase right down with cars from four to seven inches shorter! It's adding a big bonus of extra road-hugging left—and powering it with an all-new 347 cu. in., 10 to 1 compression ratio Strato-Streak V-8 for highest horsepower per pound in the field! A lot of might and muscle for sure—but it's gentled like nothing else on the road by Pontiac's exclusive Level-Line Ride and Precision-Touch Controls. And remember—the Chieftain's standards of luxury and quality were set by the same men who gave America the incomparable Custom Star Chief Catalinas. What we're leading up to is this: If smaller cars have gotten you down, you can actually buy a Chieftain Pontiac for less than 30 models of the "low-price three"! Why wait any longer to give your spirits and your budget the lift of a lifetime?

Knights of Columbus To Celebrate 75th Year of Its Founding

St. Peter of Antioch, Knights of Columbus Council 3800 of Antioch will help celebrate the seventy-fifth anniversary of the international organization Friday, March 29, which will be known through Illinois as Knights of Columbus Day.

The Antioch council nearing the close of its third year of organization, has as its administrative head, John L. Horan. It has a membership of 66.

Governor William G. Stratton in proclaiming Knights of Columbus Day, directed attention to the fact that the Knights are to hold their Supreme Convention in Illinois in August.

The organization has approximately one million members in the United States, Mexico, Cuba, and other countries.

Kite Flying Can Be A Dangerous Sport

Local kite flying enthusiasts are cautioned to abandon kites that become entangled in wires or other electric installations by Owen A. Fordham, district superintendent of Public Service Company.

In reminding youngsters and their

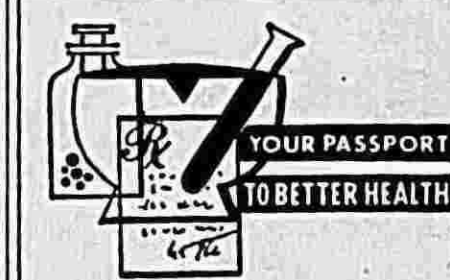

parents of the hazards involved in the popular spring sport, the utility official passed on several safety suggestions:

1. Never use metal in the construction of any part of a kite, and be sure to use ordinary kite string. Avoid the use of wire, tinsel or metallic cord.

2. Don't fly kites during an electrical storm, or when the string is wet.

3. Do not climb poles, trees or enter fenced-off danger areas to retrieve a kite.

"Kite flying is a wonderful spring pastime," Fordham said. "It can be kept more enjoyable when safety rules are observed. Keeping away from busy streets, electric wires and other obstructions is the best precaution."

Cure Found for "Bad Egg" Water

Many residents of this area whose water comes from private wells have felt the need of gas masks and deodorizers when they turned on the water faucets because of the hydrogen sulphide gas. Now, according to the Metropolitan Water Council, they can find relief with a

new filtration device recently developed by a leading manufacturer in the water engineering field.

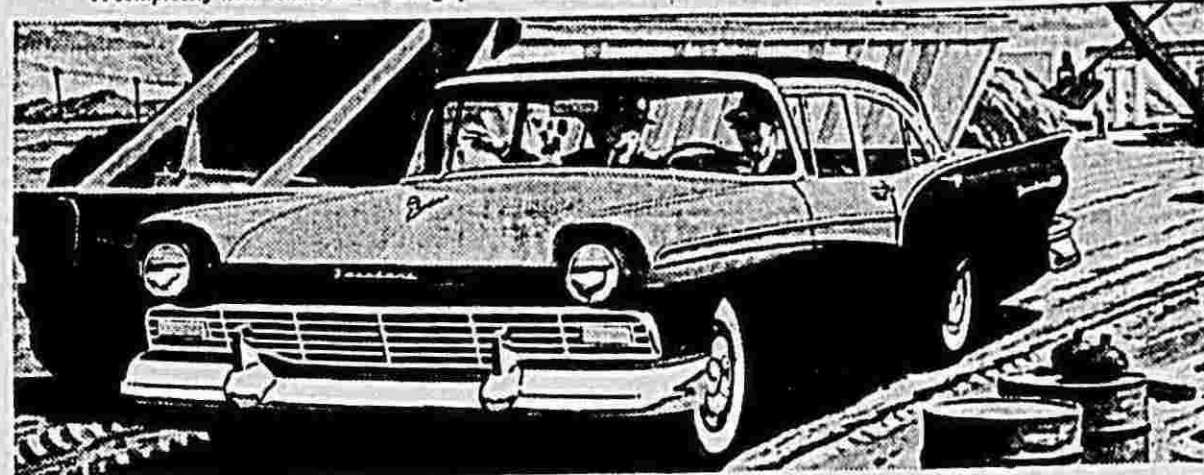

According to the council, the new device uses no chlorine or laundry bleach and needs attention only about once a month. It has no moving parts, nothing to wear out, and automatically adjusts itself to accommodate the varying percentage of hydrogen sulphide in the

The new filter, a council spokesman said, promises relief not only from the obnoxious odor, but restores the taste to normal and stops the corrosive and staining effect of the water.

Information about the device is available through the Metropolitan Water Council, 30 No. LaSalle St., Chicago 2, Ill.

Will Building Volume Be Large in 1957?

Chicago—Construction will continue at a record pace this year, although there will be little change in the volume of residential building.

This is the opinion of John M. Neff, manager of the ceramics and minerals research department at Armour Research Foundation of Illinois Institute of Technology, Chicago.

He believes total construction will set a record in 1957, as it did last year, but that private home construction—which failed to live up to expectations last year—will not do much better in 1957.

"This latter point does not reflect a recession in the building industry as some people seem to think," Neff declared. "The building industry is holding its own in our growing economy, but not in the areas that were expected."

The volume of all types of construction last year totaled over \$44 billion, an increase of 3 per cent over 1956. Residential construction in 1956, however, was down 8 per cent from the previous year.

This does not indicate that the supply of housing is catching up to demand, Neff contended. But it does reflect, he said, a more cautious attitude on the part of people who are house hunting.

patient at the St. Therese hospital. Clarence Blumenschein of Burrill Ave. returned home Sunday after being a patient at the Condell hospital in Libertyville for the past 18 weeks. He suffered injuries when a ditch caved in on him.

Mrs. Helen Emerson and Dorothy Emerson were guests at the home of Mr. Ted Withhold of DesPlaines, Ill., last week.

Mrs. Helen Emerson spent last Wednesday afternoon mending and darning with the sewing circle at the home of Mrs. Dorothy Hansen of Zion, Ill.

Catherine Kasting, Phyllis May and Rosella McCarthy took 400 magazines to the patients at Downey last Wednesday morning. While there they visited the \$45,000 greenhouse donated by the readers of the Sun-Times of Chicago. It was dedicated on Nov. 11, 1955.

The Veterans presented the V.F. W. Auxiliary members with a floral centerpiece for the table at their St. Patrick dance they held Saturday night.

Mrs. Helen Emerson and Dorothy Emerson were guests at the home of Mrs. Jane Re Voy in Salem, Wis., last week.

The pupils of the O'Shea Baton school of Waukegan participated in the St. Patrick's day parade in Chicago Saturday. The three Lake Villa girls taking part were Linda

SOCIETY EVENTS

Antioch P.T.A. Sees Square Dance Exhibit By Visiting Dancers

A square dance demonstration was enjoyed by the Antioch P. T. A. members Monday night. The callers were Elmer Williams and Harold Phannoskill.

The groups were members of the Woodshed Whirlers from Gavin School, Emmons School Square Dance Club, and the Allendale Club from Kenosha. They did several square dances and had audience participation. Mrs. Glen Nettles arranged for the demonstration.

The committee which consists of Mrs. James Maplethorpe, chairman, Mrs. Arnold Koenig, H. W. Brown and Mrs. Yates, was appointed for nominating the officers for the coming year.

Mrs. Yates, fourth grade, won first prize and Mrs. Baethke, third grade, second prize, for room count.

Refreshments were served by second grade room mothers, Mrs. Robert Avery, Mrs. Richard Stroner and Mrs. Arthur Meyer, assisted by Mrs. Robert Lindblad, Mrs. J. A. Westhoff and Mrs. L. J. Eppers.

The next meeting will be held Monday, April 15.

Antioch Garden Club To Meet March 25th

The Antioch Garden Club will hold its March meeting at the home of Mrs. Norvin E. Stoffel in Felter's Subdivision on March 25th. Mrs. Donald T. Purdy will be co-hostess.

Following a short business meeting, Mrs. L. T. Cobussen of Burlington, Wis., will show some color films on Roses, Begonias and Fuchsias.

The Garden Club is making arrangements to visit the Spring Flower Show on Navy Pier as a group. This Flower Show is sponsored by the Garden Club of Illinois and is one of their major projects of the year.

Stars to Initiate

The Antioch Order of Eastern Star will conduct an initiation service at its meeting at 8 p. m. Thursday, March 28.

A-Club Dance Mar. 30 Will Be Public Event; Smejkal's Band to Play

The "A" Club of Antioch Township High School will give its annual "Varsity Dance" from 8:30 to 11:30 p. m. Saturday, March 30, at the school gymnasium. The event is open to the public this year.

Art Smejkal's orchestra will furnish the music.

Tickets will be available at Reeves Drug Store, The Antioch News, and the high school and at the dance.

Profits from the dance will be used to pay expenses of the club. To become a member of the club the student must win a letter in a major sport. Officers of the club are Richard Sreh, president; Wayne Herbst, vice president; Dave Mitchell, secretary; and Marty Bell, treasurer.

Women of St. Ignatius Serve Lenten Lunches

Women of St. Ignatius parish will serve their annual lenten luncheons at the parish hall.

Mrs. Fred Hawkins is chairman of the luncheon today and Mrs. Arnold Koenig on Thursday, March 28. Mrs. H. L. Kleven will be chairman for the April 4 luncheon.

Serving on these days will start at 11:30 a. m. and the public is invited.

To Celebrate Birthday

In celebration of the American Legion's 38th birthday anniversary, the Antioch post will hear an address tonight by Walther Reinhardt, member of the post, who was in Paris when the Legion was born. The 40 and 8 will conduct initiation ceremonies for Antioch candidates.

Firemen Guests of Cunningham

Members of the Antioch Fire Department were entertained Tuesday evening at a chicken and dumplings dinner at which Trustee Murrill Cunningham was the host.

The next event on the calendar of the firemen is the county meeting Monday at Abbott Laboratories.

Forest Park Woman Replaces Sky Eyes As Women's Speaker

"An Intimate Portrait of My Father's People" was the title of the talk given by Mrs. Joseph Kos, Jr., of Forest Park to the Antioch Woman's club on Monday afternoon when she talked on the customs, language, beliefs and songs of Czechoslovakia.

Mrs. Kos came as a replacement for Sky Eyes, an Indian woman who had taken ill. Dressed in a 90 year old costume featuring intricate handwork and colorful embroidery, she also showed an extensive display of handwork, pictures and Czech products.

She and her family were recently written up in a Chicago Sunday paper at their Sokol Society in Bervyn where they work at a gymnasium in improving the mind, body and soul. Her daughter, a profession model, had missed the Olympics last year because of a chipped ankle.

Among the many contributions of her ancestral country she named were the first library and the first university in Europe.

A business meeting preceded the talk in which a nominating committee was named composed of Mesdames W. C. Petty, Louis Biel, and J. Ernest Brook.

Mrs. Robert Liess, Civil Defense chairman, read a report of the Civic League in regard to its stand against federal aid to schools.

Plans for a tour of the Chicago Tribune on April 1 were outlined by Mrs. William Brook. A complimentary luncheon will be served at the Union League Club which has been arranged by the State Bank of Antioch and the LaSalle National Bank in Chicago. Those taking the tour will leave the Scout House by bus at 9:30 a. m. Only the first 40 paid reservations can be accepted by Mrs. Brook.

Mrs. John Wagner, music chairman, announced that a music endowment had been made which would enable the club to send Nancy Wetterberg to music camp along with the two previously announced scholarship winners and because of it, Dwight Stone will extend his stay from one to two weeks.

The Garden Section announced plans for attending the Home and Garden Show at Navy Pier and invited other club members to make arrangements to go with them.

Lakes Region Bureau Hears Talk by Barnette

The Lakes Region Unit of the Home Bureau held its regular meeting on Wednesday evening, March 13, at the home of Mrs. Harold Golden on Gelden rd., Lake Villa, Ill.

The lesson on Social Security was given by Mr. Bernard Barnette of the Waukegan S. S. office. Co-hostesses were Mrs. Ray Golden and Mrs. Delbert Sherwood. Refreshments were served.

Miss Donna Mae Ballwanz of Antioch and Miss Mary Schwicht, Lake Villa, are enjoying a trip to Phoenix, Ariz., and then to Texas. They plan to visit the Don Zimmers of Phoenix. Mrs. Zimmer is the former Lonna Casson of Antioch.

Grass Fires Kept Men Busy Last Saturday; Rain, Snow Prevents

Grass fires kept the Antioch fire department busy until the rain and snow arrived.

Four fires occurred Saturday. Three of them were grass fires one on Depot st. back of Jack Sobey's Excavating storage; another near Lindy's Soda Bar at Channel lake; a third back of Maleck's store at Grass Lake.

When a duck pen at the Warren Edwards home, Indian Point, caught fire it destroyed the shed it was in and threatened the adjoining garage. The firemen saved the garage with but a minor damage.

On Friday the firemen were called to Park ave. where an oil burner became overheated at a residence, and a meeting of the firemen a week ago Tuesday was interrupted by a fire call to the McMillen Subdivision. There a 1952 Buick convertible belonging to Joyce Yanna was afire and much damage was done before the blaze was brought under control.

Chief Edgar Simonsen believes the fire started when the carburetor overflowed and the gasoline was ignited by a hot manifold. The car had stuck in the mud.

Immigration Officer Exams to Be Given

Examination for Immigration Patrol Inspector have been announced by the United States Civil Service Commission. Application forms may be obtained at your local post office.

Appointees will be members of the Immigration Border Patrol, a career service of mobile, uniformed enforcement officers. The beginning salary is \$3,525, with promotion to Grade 8 and salary of \$4,970 after one year of satisfactory service. Promotions to many other career officer positions in the Immigration and Naturalization Service are made from the ranks of the Border Patrol.

Applicants must be at least 20 years of age, 5 feet 8 inches tall, and in top physical condition.

Positions to be filled are located in towns in the vicinity of the land borders and certain coastal areas of the United States. Information pamphlets are available at your local post office and at all Immigration offices. Application forms should be mailed to the Executive Secretary, Board of Civil Service Examiners, Immigration and Naturalization Service, 119 "D" Street, N. E., Washington 25, D. C.

With the 24 female contestants behind a curtain in an ankle-jug contest in England, the winner the prettiest was revealed as an 8-year-old matron.

Easter Seal Letters Sent to 1,500 Antioch Area Citizens in Drive

Some 1,500 Easter Seal appeals were in the mails this week to Antioch citizens as the annual campaign to aid crippled children and to expand facilities for rehabilitation of the crippled opened.

Mrs. Sybil Steiskal, Rogers L'n., chairman of the Easter Seal appeal in Antioch, announced the opening of the campaign which runs through April 21.

The Crippled Children's Aid Association of Lake county, which conducts the annual appeal in correlation with the National Society for Crippled Children and Adults, provides physical therapy in conjunction with educational facilities, financial aid, and equipment for crippled children in Lake county.

Countywide goal in the campaign this year is \$25,000.

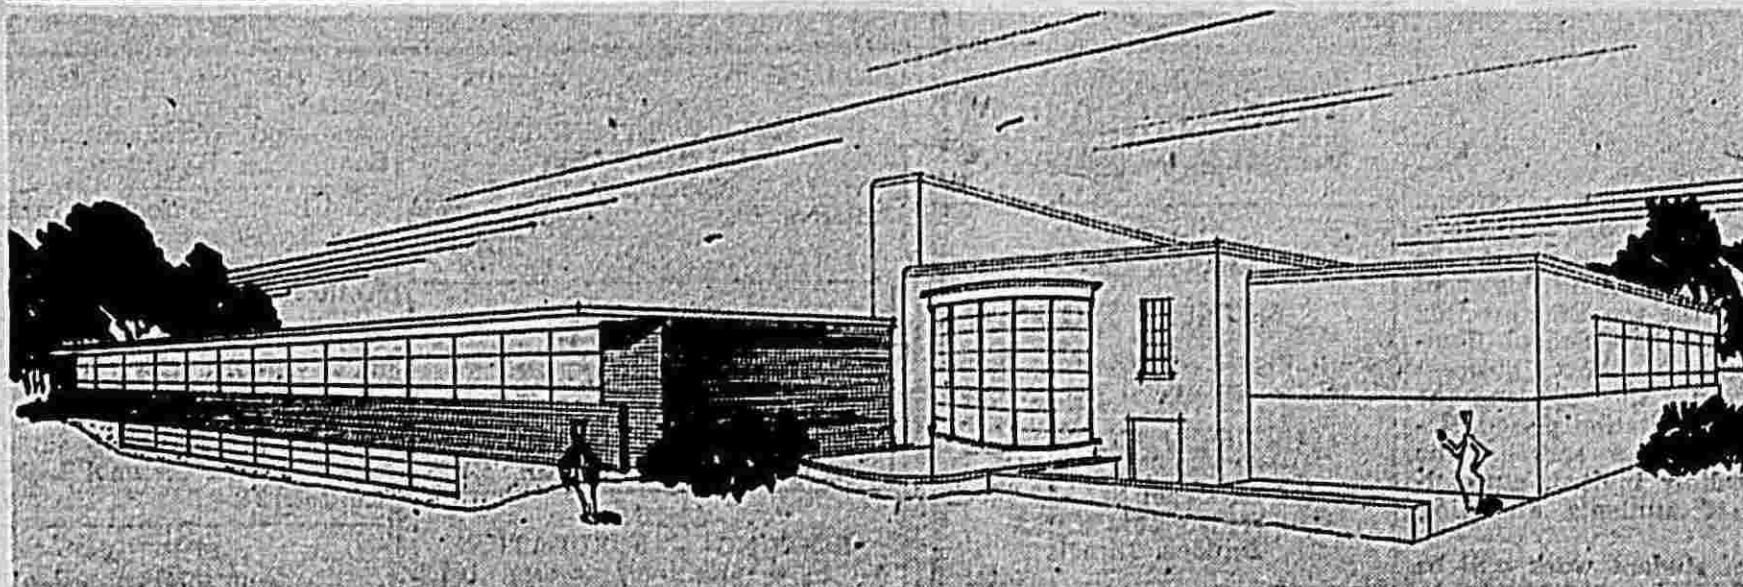

Facilities of the county association include maintenance of a special classroom at Waukegan for crippled children from throughout the county, with the cooperation of the Waukegan City School system and the State Department of Special Education, which regulates such schools.

Funds raised by the annual Easter Seal appeal pay the salaries of a qualified dietitian, a matron, and a registered nurse, whose skills are needed in special care of the children and to fulfill the directions of the individual child's physician. In addition the association and the state aid in payment of transportation costs of children from throughout the county.

"Future goals of the association," said Judge L. Eric Carey, Lake County campaign chairman for the Easter Seal appeal, "are the establishment of a second room somewhere in Lake county and establishment of a rehabilitation center staffed with a physical therapist and an occupational therapist. Such projects take planning, which is in the hands of our board of directors for 1956-57."

Under state regulation, a physically crippled child may enroll in the school if he is of "sound mind," but must have the recommendation of his family doctor. State regulations limit the number of children

Judge Carey said rapid growth of Lake County communities indicates a definite need for increasing facilities for aiding the crippled and a survey is being conducted to determine the extent of the need.

Lenten Services Told By Gerald Robinson Of Lake Villa Church

"Thy Kingdom Come," the second in a series of sermons on the Lord's Prayer, is the title of the Rev. Gerald B. Robinson has selected for Sunday, March 24 services at the Lake Villa Community Methodist church at 9:45 and 11:00 a. m.

The Methodist Men of the church have completed the new room in the basement of the parsonage, and there will be a nursery for infants as well as for toddlers during both services.

Mrs. Richard Bolt, soprano soloist, will sing "Were You There" for the early service. The Senior choir will present "Legende" by Tschalkowski at 11.

M. Y. F. Elects Officers
At elections held last Sunday evening, David Hay as elected president of the Methodist Youth Fellowship of the Lake Villa church. Other officers include Oma Lee Belke as vice-president, Susan Romer as secretary, and Lois Wagner as treasurer.

Commission chairmen will be Ronald Mack, Outreach; Judith Apostolou, Witness; Linda Hollocker, Faith; Barbara Poulsen, Fellowship; and Bert Metz, Citizenship. Other members of the cabinet include Bill Seifert, in charge of refreshments; Norman Outen, worship; and Jay Cribb, recreation.

Quarterly Conference Sunday
Sunday afternoon, March 24, at 4:15 p. m. the Fourth Quarterly Conference of the Lake Villa Community Methodist Church will convene at the church, according to the Rev. Gerald B. Robinson, pastor. Presiding will be the Rev. Dr. Birger Dahl, superintendent of the Chicago Northern District of the Rock River Conference of the Methodist Church. All officers of the church will present their annual reports at this time, and there will be elections for the coming year.

Church Activities on Calendar
"Hours of Self-Examination and Dawning Insight" is the subject for the study class Sunday evening at the Lake Villa church. This meeting, scheduled for 7 p. m., is the second in a series on "High Hours of Methodism" and all adults in the church are urged to attend.

Mr. Robinson will speak on "His Dearest Human Friend" at the candlelight meditations, Lenten mid-week service at the Lake Villa church Wednesday, March 27, at 7:30 p. m.

Choir rehearsals for this week include the Cherub Choir Saturday at 9:30 a. m. (March 23 only—regular time, 10 a. m.); Junior choir Monday at 3:15 p. m.; and Senior choir Thursday at 7 p. m.

The pastor's Membership Training class meets Friday at 3:15 p. m., at the church.

"Your School in Action" To Be Shown March 27 At Salem Central High

A color film entitled "Your School in Action" will be shown at the Central High School gymnasium at 8:15 p. m. March 27. The film portrays a routine school day of the students and the teachers from every department and classroom. Students are enthused to see themselves on film. Parents and the public are urged to attend this event which is also the monthly meeting of the Central High School Community Club. A short business meeting precedes the film and the parent-teacher visitation period. Refreshments will be served. The public is cordially invited, especially parents of students attending Central.

Exhibits of student work will be displayed throughout the various departments with all teachers stationed in their respective classrooms enabling parents to confer with them. The evening also presents an excellent opportunity for the people to view the entire school and the recent addition which is now completed as well as to bring the actual classroom learning process to the public by motion picture.

Some of the best fights over television occur in homes having three teen aged children.

The American Legion Auxiliary Unit 1210 Lake Villa Township is having a rummage sale and bake sale on April 5 and 6, at the Legion home located on Grand Ave., two blocks west of the Venetian Village entrance. Anyone having any rummage is asked to call EL 6-3512 and it will be picked up, with thanks.

Special attraction of the sale will be the American Legion birthday cake contest. Anyone who would like to enter can get all the details from any one of the Auxiliary members.

David Hay, son of Mr. and Mrs. Tom Hay, was elected president of M. Y. F. of the Methodist church in Lake Villa.

Walter Zorger left Sunday for Florida on business for several days. Mr. Zorger is in the sales service department of the Tracto Motize Co. of Deerfield. Mr. Zorger represents and demonstrates for the company.

Visitors Sunday in the John Selzer home were Mr. and Mrs. Peter Selzer, Mr. and Mrs. Robert Kamminga and family of Northbrook, and Allen Molitor of Wilmette and Keith Daley of Chicago.

Mr. and Mrs. Lowell Graves and baby daughter motored to Oconto Falls for the week-end where they visited with his mother and also to bring back their two oldest children who were staying with their grandmother during their mother's convalescence from recent surgery.

Mr. and Mrs. Jack Berbes and son spent the week-end visiting relatives in Chicago.

Mr. and Mrs. Bob Filwett and family were visitors in Chicago on Sunday.

The Darnit club meeting was held last Wednesday at the home of Mrs. Grace Clove instead of Mrs. Singer's due to Mrs. Singer having to work overtime. She asked that she have

the meeting at a later date. The next meeting will be in the home of Mrs. Ervin Smith.

The Cheerful Chums club met last Tuesday at the home of Mrs. Sari Plozke. They meet every two weeks, and at the present have eight members.

Rolf Wetberg, Joseph Downes, and John Selzer, Jr., were among the scout troop 84 of Lake Villa who were on the week-end campout at Camp Dan Beard.

Residents of Lindenhurst, we ask your attention: the son of Mr. and Mrs. Gil Rothmund was bitten by a brown and black police dog on Saturday at noon. Mr. Rothmund tells this correspondent that the boy can identify the dog and also it was a dog that is as a rule tied as it was dragging about 10 feet of rope or chain. Anyone who has knowledge of this dog can call me and I will let the people know. If the dog isn't brought forward the boy will have to take the rabies shots and they are very painful.

Powhatan No. 3 Mine of the North American Coal Corp., largest deep mine in Ohio, has a daily capacity of 5,500 tons and in 1955 produced nearly 1,500,000 tons of bituminous coal.

The Ladies' Auxiliary presented the new bride, Mrs. Edna Cochran a beautiful copper chafing dish and tray at their meeting Friday. She also received other gifts.

Happy to report that Ebba Huber will be back home this week after convalescing for two months in Chicago at the home of her sister.

Mr. and Mrs. Valdemar spent the week end in Chicago with Mrs. Valdemar's sister.

Violet Selgren, Chicago, was a guest of Helen Voss Sunday.

Mr. and Mrs. Bodde and children of Chicago, were Sunday dinner guests of Mr. and Mrs. Joe Gallske.

Mrs. Shirley Carlson entertained at a luncheon Mrs. Lorraine Severson, Billie and Susie, and Mrs. LaVerne Bushnell and daughter.

Newcomers to Deep Lake are Mr.

and Mrs. Charles Alender and Mr. and Mrs. John Stevenson Both families are living on Third ave.

The Department of Commerce now rates America's export coal market in the billion-dollars-a-year class. Shipments of American coal abroad in 1956 reached a record high in excess of 48,000,000 tons.

The coal miner's head lamp may someday disappear. The Bureau of

Mines for the first time has aptured electrical lighting system for use in America's coal mines.

**PRICED
for ACTION**
-Powered the same way!

ACTION STARTED right from
the day people first saw our price in print.
They looked—and hurried in—and what they found
was a marvelous car at a marvelous price.

For we didn't stop with creating fresh new body
styling and wide, wide vision—and a new look all over.

We put plenty of millions into making this SPECIAL
fun to drive as well as a beauty to look at.

We started with a dazzling new performance team—
a brand-new V8 and a brilliant new Dynaflo.* We
built a brand-new nested ride chassis that gives you
plenty of room inside—yet keeps road clearance the
same. And for good measure, we made handling
easier and stopping more level with a new suspension
system.

So if you want the dream car to drive—this is it.

See your Buick dealer and find that out—today.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds
today. It is standard on ROADMASTER, SUPER and CENTURY—optional at
modest extra cost on the SPECIAL.

Don't Blame Motorist For All Accidents

An eloquent plea, "In Defense of the Motorist," was made today by Matthew C. Sielski, director of the Safety and Traffic Engineering department of the Chicago Motor Club. Speaking before the 43rd annual Illinois Highway Engineering Conference at the University of Illinois, Mr. Sielski exposed many fallacies about automobile accidents.

Among major fallacies which have become fixed in the mind of the public by fright campaigns, Mr. Sielski mentioned the false idea that excessive speed is the principal cause of highway accidents, that the highway death toll is rapidly getting worse, and that it is more dangerous to drive on a holiday weekend. He cited statistics which disproved each one of these misconceptions.

The traffic engineer also criticized such useless and unfair efforts to control traffic problems as unrealistic speed limits, unmarked patrol cars, roadblocks, crackdown campaigns and other measures inspired by hysteria. Some of these measures were shown to have the opposite effect of increasing traffic hazards instead of decreasing them. Unrealistic speed limits, create contempt for the law, and unmarked patrol cars lose an excellent opportunity to control traffic violators by their presence, whereas a clearly identifiable police car serves to make all motorists in the vicinity more conscious of traffic regulations.

Misconceptions about traffic problems have given rise to sweeping and reckless condemnations of the motoring public, Mr. Sielski declared. One nationally circulated magazine went to far as to characterize the motorist as "the most lawless of all Americans." Considering that this statement encompasses a group of 75,500,000 licensed drivers in the United States, it seems unrealistic to condemn almost half of our total population as drunken morons who are guilty of criminal negligence on our highways.

Actually, the average motorist is a good driver who performs well on roads which often are inadequate to handle their traffic load. Mr. Sielski pointed out that there has been a steady decrease in the number of deaths per miles traveled over the past 25 years. For instance, the U. S. fatality rate for 1935 was 15.9 per 100,000,000 vehicle miles, but in 1955 this figure had been reduced to 6.2 per 100,000,000 vehicle miles.

Despite this encouraging trend, Mr. Sielski declared that the Chicago Motor Club had no intention of creating a complacent attitude toward traffic problems. Instead of scare campaigns based on the misconception of the average motorist as a John Dillinger on the loose, however, he suggested that the logical and continuous educational campaigns pursued by the club produced better results. He cited the 35 per cent reduction in the fatality rate of pedestrian in the 5-14 year age group in the past 25 years as an example of safety education and the work of the school patrol system sponsored by the club.

Taxpayer Should Keep Copies of Tax Returns

Taxpayers should be careful to retain complete and accurate copies of their 1956 federal income tax returns after filing originals with the district office of the Internal Revenue Service, H. Alan Long, district director, warned today.

"Copies of 1040's and 1040A's kept with other important financial documents enable taxpayers to maintain better 1957 records of income and expense, and serve as a helpful guide in preparing returns in future years," Mr. Long said.

"Copies of all other tax returns and records, Federal, state or municipal, also should be kept, together with general records of expenditures, especially those which may be deductible for income tax purposes, like doctor's bills, interest payments and other items, the director advised.

"Many financial institutions in several parts of the country provide clients and customers with concise record-keeping booklets for greater ease in compiling month-by-month records, resulting in accurate break-down tabulations in all major expense categories at the end of the year. A small inexpensive ruled book may be used, and if systematic entries are made, the taxpayer will find preparation of his return aided and simplified at the next filing period," Mr. Long said.

Coal exports in 1957 will reach an all-time peak of 55,000,000 tons, according to Keystone Coal Buyers Manual, which anticipates a gain of 14.6 per cent from the 1956 level of 48,000,000 tons.

The coal-loading facilities of Badgett Terminal Co., at Grand Rivers, Ky., empties six hopper cars every 10 minutes and does in two minutes what once required two hours of manual labor.
